FROM: Rev. John D. Kreidler, Bishops Associate
SUBJECT: **Resolutions for 2012 Synod Assembly**

May God's peace be with you.

You will find included with this letter the *Resolutions Guidelines and Checklist* and a *Resolutions Submission Form* to assist in submitting resolutions for consideration by the 2012 Synod Assembly. Please, let people know that you have these items and make as many copies as are needed.

The resolution process is necessary to ensure that the business of the assembly can be conducted with order and decency. However, I recognize that it can be confusing at times. Please, encourage people to contact me if they have any questions about or problems with the process of submitting a resolution. I want to make the process as easy as possible in order that people can focus on the matters they wish to raise. I can be contacted at:
